

- sir gall:
  - game: bard swears his loyalty to a dishonorable knight
  - notes:
    - careful escalation revealing Galls misdeeds
    - heavy juxtaposition on gideon being bright eyed
- dildo collection:
  - game: fancy dildos
  - notes:
    - get more visual
    - introduce dildos sooner
    - design and 3d print dildos for the box
    - convince the pawn shop owner
    - seperate out nft joke
    - tiny tim
- post-fad pawn shop:
  - game: call out topical fads
  - notes:
    - nfts
    - pelotons
    - bread making
- ponytails and peace:
  - game: a ukrainian is convinced by steven seagal's visit as a representative of russia
  - notes:
    - watch seagal movies - holy shit, seagal is actually badass
    - change my mind, switch the paradigm
    - ponytail
    - hawaiian shirts
    - (should i grow and buy one??)
    - dojos and japanese culture
- hollywood:
  - game: southerners making fun of city boy
  - notes:
    - look boys its Hollllywoood
    - hu hu sing us a song hollywood
    - yeah hyuk, do a little dayunce
    - exaggerate life as a southerner
    - I bet you use public toilets
    - I bet yer vehicle is fuel efficient
    - I bet you cant even catch a fish with an ear of corn
    - I bet you know how to ride a bus
    - Tell us about the rent spike, Hollywood
    - put on a purformance that moves us all emotionally, holly wood
- tonys tapwater:
  - game: people buy tapwater from brooklyn to mimic new york pizza
  - notes:

- bath
- pour water on the pizza
- better ending - leaky pipes behind him
- more emphasis on the disgusting imagery of new york
- high budget; when tony adds the water, the scene switches to new York city

- DANTE:

game: dante is a fraud who makes socialites pay for their social discomfort. conmen in the vein of Arrested Dev.

notes:

- wine auction
- modern 'movement'
- subtle reveals he is a fraud
- do you even know Ruth's `nickname`
- use ruth bade ginsberg joke to reveal fraudulence
- mix the wine auction in with SOLEILs performance, have SOLEIL become a part of the scene that fades in and out of focus
- the game might just be SOLEIL

- 70s Porn Guy Detective:

game: Buck Bonhart is a pornstar from the 70s, in modern day. He solves crimes using his mystical porn life

notes:

- spoof on 70's porn
- spoof on detective shows
- appears from behind vhs tapes
- solves crime by plumbing knowledge
- make Buck lose himself when the scene gets too

porn-y

- yeah we called a plumber
- use Buck's entrance to introduce the concept, make his appearance more porn-y than 70's
- ending is too high brow, more porn jokes
